

FAST SWITCH

Technology Recruiting & Consulting

Carey Pachla, Vice President
Fast Switch, Ltd.

carey@fastswitch.com

Since joining Fast Switch, Ltd. in 2003 as Vice President of Business Development and Operations, **Carey Pachla** has directed business development, client management, recruitment and operations at the information technology consulting organization. Fast Switch provides IT resource and staffing solutions, executive search expertise, contract-to-hire programs and consulting services. Pachla leads the northern division.

With a career spanning over 18 years in business development and management in the information technology and logistics sectors, Pachla's business philosophy of offering an adaptive and accessible approach internally and externally is serving Fast Switch's valued clients and valued team members well. The northern division of Fast Switch has experienced growth year over year since it opened operations in 2003.

Pachla has a Bachelor of Business Administration degree from Western Michigan University and a Masters of Business Administration from Wayne State University.

As an active member of the Michigan Council of Women in Technology (MCWT) for over 7 years, Pachla is committed to increasing career development and scholarship opportunities for women in IT by holding various roles, including the management and support of major fundraising events. She currently serves on the Executive Board for MCWT as Co-Vice President of Corporate Partnership. Additionally, Pachla and Fast Switch, Ltd. support numerous IT intern programs such as their partnership with Focus Hope that is building a strategic community outreach program.

Pachla lives in Novi with her husband, Marc and two daughters, Madeline and Josie.
