Masquerade Ball

A Letter from Our Executive Director

Dear Friends and Partners,

For nearly 25 years, the Michigan Council of Women in Technology Foundation has helped women and girls discover opportunities in technology, creating stronger futures for themselves and for Michigan. I invite you to join us on November 14 for Masquerade, our signature fundraising gala celebrating achievement, opportunity, and the next generation of technology leaders.

This year's theme reminds us that behind every mask is a story. While many women have made remarkable contributions to technology without recognition, together we are helping ensure today's young women have the confidence, skills, and opportunities to be seen, heard, and lead.

Since 2002, MCWT has awarded 452 scholarships totaling more than \$2.19 million and has inspired thousands of girls and women through Camp Infinity, mentoring, leadership development, and career programs. These life-changing opportunities are possible because of partners like you.

Your sponsorship of the 2026 Gala is an investment in Michigan's future technology workforce. Whether you become a Premier Sponsor, underwrite a special experience, or host a table, your support will help create opportunities that extend well beyond November 14.

Thank you for believing in the power of women, technology, and opportunity. I hope you'll review the enclosed sponsorship opportunities, and I look forward to celebrating with you at the Masquerade Ball.

WITH GRATITUDE,

**LORI KOZA
EXECUTIVE DIRECTOR, MCWT FOUNDATION**
